

# 10 Qualification Questions for Starting a JOY International Chapter

1. Is God stirring your heart to share Christ with women in your community?
2. Can you work across denominational lines?
3. Do you want to network with Christian women from other churches in your community in a united endeavor?
4. Are you comfortable being around women who are not exactly like you? (e.g. church, demographics, socio-economic status, political viewpoints, professional experience, ethnicity, spiritual walk)
5. Do you understand and use your gifts and talents?
6. Do you believe in the importance of prayer in evangelism efforts?
7. Have you had experience leading a team of volunteers?
8. Are you good at identifying gaps and needs of a team and filling those with appropriate people?
9. Are you capable of managing a project from beginning to end?
10. Would you consider yourself to be spiritually mature? (i.e. a *leading and guiding* Christ-follower)

If you've answered "no" to any of these questions, that's okay. JOY is based on a team concept, and different women will have different gifts. These questions just address the overall needs of a JOY Chapter.
